

## **ALW 12HP**

**Passive high power multifunctional speaker**

---

**Main features:**

- 2-way system
- 1 x 12"
- 1,5" HF driver on rotatable CD horn
- High SPL
- Wooden enclosure
- Slim Design
- Exact dispersion

## ALW 12HP

### Passive high power multifunctional speaker

---

#### System-overview:

The ALW 12 HighPower is a compact loudspeaker in proven 2-way technology. Excellent sound and high power make the ALW12 HP a perfect sound tool. The outstanding performance in speech and music reproduction and the long reach makes it very suitable for halls, theaters, concert halls or auditorium use. The low tuned bass-reflex design enables a clear and balanced sound spectrum. Clear low bass frequencies are reproduced without noise through the flow-optimised large reflex opening. High grade components take care of precise high-frequency projection, delivering optimal sound quality

Available as IP68-version on request.
